PROFILE

Digital marketer with hands-on experience in **e-commerce, SEO/GEO and social media growth**. Built and managed an international Shopify store, applying **technical SEO, keyword research, on-page optimisation and GSC/GA4 analysis** to improve organic visibility. Skilled in using **AI tools** such as Claude and Codex to support SEO research, optimise content and streamline workflows. Seeking an **e-commerce SEO/GEO role** to drive measurable organic growth through data-led execution.

WORK EXPERIENCE

Ertha Home, Melbourne | Website · Instagram **Jun 2026 – Present**
Co-Founder | E-commerce, SEO & Growth

- Led technical and on-page SEO using **AI-assisted research** and **GSC** to prioritise fixes; increased impressions by **133.4%** and clicks by **41.5%**, and improved average position from **14.18 to 8.66** in **28 days**.
- Optimised homepage and product visibility through metadata, content, Product Schema and Breadcrumb Schema, generating **482 homepage impressions**, **8.3% CTR**, and **283 product rich-result impressions** in **28** days.
- Built and managed Ertha Home's Shopify store, using **AI workflows** to optimise and maintain **174 SEO landing pages** across product, collection and content pages, aligning pages with search intent and reducing keyword cannibalisation.
- Grew Instagram organically to **10K+ total followers**, adding **6.6K followers** and generating **784K+ views in one month**, alongside a **400% increase in orders** and a **102% increase in conversion rate**.

Wuxing District Audit Bureau, Huzhou, China **Jun 2022 – Aug 2022**
Audit Assistant Intern

- Used **Excel (VLOOKUP, SUMIF, COUNTIF)** to analyse **1,000+ financial records**, cross-check transactions and identify **15+ discrepancies**, supporting accurate financial reconciliations.
- Reviewed guarantee letters, contracts and supporting documents to ensure completeness and audit readiness.

PROJECTS

TikTok Food & Lifestyle Content Project **Mar 2026 – Present**
Content Growth & Performance Analysis

- Grew a content account to **10K+** followers, **5M+** views and **400K+** likes through data-informed short-form content strategy.
- Analysed platform trends and audience-performance data to refine content topics, formats and video production.

MEI PI QI | Rebranding Project **Mar 2023 – Mar 2024**
Project Lead

- Led a rebranding proposal for Mei Pi Qi, a bayberry sparkling-drink concept targeting Gen Z consumers in Hangzhou, China.
- Analysed **572 consumer reviews** using **Python** and benchmarked competitors to identify customer preferences, developing a new visual identity, brand character and packaging inspired by Chinese opera.
- Designed pop-up events, merchandise and digital marketing campaigns to drive engagement, with projected improvements of **35% in targeting effectiveness** and **15–20% in conversion rates**.

E-Care | Intelligent Connected Vehicle Project **Dec 2021 – May 2022**
Project Lead

- Led E-Care, an intelligent in-vehicle safety monitoring system, coordinating team tasks, milestones and project delivery.
- Used **Python and Excel** to analyse automotive market data, including market size, penetration and industry trends.
- Secured **two software copyright registrations** and **one design patent** through a national innovation project.
